

## You've Applied to CCG—Now What?

Current CCG families receive priority registration and have the opportunity to register in March. It is highly probable there will be only a few open slots for new families for the 2026-2027 school year.

We consider applications in the order in which they are received. However, acceptance is contingent on class openings and the interview. If most or all the classes in which you are interested are full, then we will look to the next family on the list to see if we can meet their needs instead. As a ministry, our goal is to serve as many families as possible. However, most years many classes are full before we even open registration to new families. Furthermore, last year we received so many applications within just a few days of our open house that we had to stop accepting them.

Once your registration, interview, and reference checks are complete, if we can accommodate your family, you will be notified of your acceptance to CCG. All decisions will be finalized by the end of April. At that time, we can let you know which of your desired classes have openings. Once a class fills, we add names to a waiting list. Often, a couple spots open in many classes before the school year begins, so there is a possibility that even with an initial waiting list, your child may make it into the desired class.

A \$50 deposit per child per class is required to enroll in each class, even for waitlisted classes. **The deposits MUST be a check and MUST BE MADE OUT TO EACH INDIVIDUAL TEACHER.** You need to write one check per child per class. Therefore, you may have to write multiple checks to one teacher for either multiple students or multiple classes. Although it is an annoyance, please don't combine deposit checks. Once you have been accepted into CCG and have received an email confirmation of class enrollments, deposit checks must be dropped off at CCG or arrive via snail mail within 7 days from the date the email was sent. If deposit checks are not received within one week, your child(ren) will be removed from the roster until deposits are received. Deposits will be given to teachers at the end of the current school year. If your student was on a waitlist and does not make it into a class by the beginning of the school year, the deposit check will not be cashed; it will be destroyed.

**Deposit checks are non-refundable.** Our desire is to always be as fair as possible to families and teachers. Our hope is that by providing all the class information well in advance to class enrollment, families will have the time to make thoughtful, informed decisions. Last minute drops are not fair to teachers or other students in the class. Registration fees are refundable until August 1<sup>st</sup>.

If you are accepted into CCG, you will begin receiving emails from us at some point in August. At that time, we will provide details about our mandatory orientation meeting, scheduled for Thursday, September 3<sup>rd</sup> at 10am. We will also provide instructions on how to join CCG on our communication app, BAND. If you have any questions throughout the summer, please feel free to reach out to [cornerstonecommunitygroup@gmail.com](mailto:cornerstonecommunitygroup@gmail.com).
